SIR

I have the honour to state that the Municipal Council have sanctioned several estimates in connection with A R P works For works exceeding Rs 5,000/-, sanction of Government has been obtained The works being most urgent and the time at our disposal being short tenders were not called for The works were entrusted to the reliable contractors at the estimated rates This fact was also placed before the Managing Committee and they approved of the same on 15-5-42 The Local Auditor, while passing the bill, has objected to the entrusting of the works to the contractors without calling for tenders on the ground that the entire amount of the estimates sanctioned by the Council exceeds the limit of the Municipal Council A copy of audit objection together with the copy of the Managing Committee resolution is enclosed herein for kind perusal of the Government

Under the circumstances I request that the Government may be moved to accord sanction for having entrusted the several A R P works to several contractors as an emergency measure and pay them at the estimated rates for the reasons explained above

I have the honour to be,
Sir,
Your most obedient servant,

Forwqrded with compliments
